IMPORTANT NOTICE CONCERNING FUTURE ISSUES OF RECLAMATION MATTERS

Last year you subscribed to Reclamation Matters and other announcements such as programs/registration materials for our Annual Meetings. Accompanying this mailing is the Preliminary Schedule for the June 11-16, 2011 Bismarck ND Meetings.

Due to the lack of Advertising in Reclamation Matters, the publisher will only print enough copies to our current 500+ mailing list for ASMR and those who subscribe for our magazine.

All current ASMR members will continue to receive Reclamation Matters, however, Preliminary Meeting Programs, etc. will be sent only electronically. Those ASMR members without email addresses will receive hard copies of these materials by “snail mail.”

If you are not a current ASMR member, you may subscribe to Reclamation Matters at a cost of $10/year. You will be sent meeting programs provided you include your email address below or send me an email message to this effect to asmr4@insightbb.com and your name will be added to my “List Serve.” All emails will be sent as blind messages addressed to Richard Barnhisel so as to eliminate SPAM and will have ASMR in the subject line. I will never supply these email or snail mail addresses to anyone. Your name will be removed from this database if I do not receive a response by March 31, 2011.

____ I wish to subscribe to Reclamation Matters and have enclosed a check for $10.
____ I wish to receive announcements such as ASMR Annual Meetings by email (see above).
